

Agile Patency Capsule Instructions

You have just swallowed an Agile Patency Capsule. This sheet contains information about your follow up 30 hours after the Agile Patency Capsule. Please call our office at 319-234-5990, if you have severe or persistent abdominal or chest pain, fever, difficulty swallowing, or if you have any questions.

Time of capsule ingestion: _____

1. You may drink colorless liquids starting 2 hours after swallowing the capsule. You can start taking medications at this time as well.
2. You may have a light snack 4 hours after ingestion of the capsule. After the examination is completed, you may return to your normal diet.
3. Go to _____ to have your X-Ray done 30 hours after swallowing the capsule.
